**URL Removals**

**What would you like to remove from Google search results?**

Removals are effective for 6 months. You can revoke a removal at any time. If, after the 6 months, the page is blocked or doesn't exist, the page will not be displayed in Google search results.

**Individual URLs, web pages, images, or other files**  
 Remove outdated or blocked web pages, images, and other documents from appearing in Google search results.

**A directory and all subdirectories on your site**  
 Remove all files and subdirectories in a specific directory on your site from appearing in Google search results.

**Your entire site**  
 Remove your site from appearing in Google search results.

**Cached copy of a Google search result**  
 Remove the cached copy and description of a page that is either outdated or to which you've added a noarchive meta tag.

**Common questions**
